Once again, the lost and found closet located next to the boys locker room is overflowing. Please check the closet to retrieve items before they are donated to charity.

I am VERY happy to share that Jim Sobel is resting comfortably after a scary health issue. Andrea says that he'll be released shortly, and will be able to recuperate comfortably at home. It will be a couple of months before we get to experience the 7-8 bounce ritual before each and every one of Jim's serves! Thank you to everyone who has sent him well wishes.

Save the weekend of September 17-18 for PTC's 4th Annual Bocce Ball Tournament. Always a lot of fun, we'll let you know which of these two dates works best for the club.

This Friday, August 5th, we are hosting TGIF Friday. Please come out for some casual tennis, listen to some music, and indulge in some beer and wine.

Thursday, August 18th will be our final Twilight Tennis event, hosted by the Men's 3.0 team, the Bash Brothers. Dig out your surf wear and sign-up for the Beach Boys Bash.

PTC's most fun and competitive event, the Calcutta, will take place on the second weekend in September. It will begin with the always-entertaining dinner & team draw on Friday night, with the men's competition on Saturday and women's on Sunday. Sign-ups will be open soon so don't miss out!

Update on Men's Locker Room and Club Room Project: Stuart Batchelor and the Club Improvement Committee have engaged an architect and are working to pull everything together for submission to the City of Burlingame in the next several weeks. Prior to that, we will present the complete plan to the members for approval. Our hope is that all plans and approvals will be in place by year end so we can commence work early in 2017.

JOIN US! Cuban La Rampa Calcutta Dinner and Draw. Look for the Palms and Fedoras Friday, September 9th. Please let me know if you would like to join the social team and help with this event.

"Woods -n- Whites" thank you. A terrific time was had by all at our Woods 'N' Whites event. Thank you to the social committee for their support, as it was another lovely day at the PTC!

A BIG BRIGHT "THANK YOU." The ladies 3.5 team put on a great light show with NEON colors splashing from court 1 to 6. Twilight Tennis never looked so fun. A GLOWING success by everyone.
