Welcome to a new year at the PTC! 2015 was a great year. Thanks to the efforts of our past Board Members, we are set up for another great year in 2016. Please join me in thanking your outgoing Board Members!

I am honored to follow Kay Coskey as President and hope to continue her tradition of excellent service to our club. The PTC is a GREAT place to play tennis and enjoy friends and family. My primary goal is to find ways to improve the club while making sure we maintain the friendly and welcoming feel we have all come to love.

Please feel free to approach me any time with your suggestions or concerns.

Club News: *Jeff Tateosian*

PTC's 2nd Annual Bowling Night will take place on Saturday, February 20th, from 7:00-9:00 pm. It was a terrific event last year, with thirty members attending. The sign-up sheet has been posted at the club. Because the lanes have to be reserved, signing up ahead of time is a must. Contact me if you have any questions about the event - jefftat@pacbell.net.

House & Grounds: *Matt Maloney*

I'm pleased to try and carry on the great work *Duncan* and others have been doing. Things are pretty buttoned down as we work through El Nino, but when the air is dry, the courts are full and the Club is active!

There are a number of projects currently in process. Here are some highlights:

With the help of *Stuart Batchelor*, we will be replacing an ancient furnace that supplies heat to the men's locker room. New and much improved/efficient ventilation will also be added to include heating to

the Women's powder room.

As many of you know, the Men's locker room requires some long overdue plumbing upgrades. This offers us the opportunity to make some modest updates and improvements to the space. We are currently assessing and pricing out a couple of options.

Finally, as reported at the annual membership meeting, we are researching the possibility of adding lights to the front courts. We're in the early stage of this process and will report back when there is meaningful news.
