Did you participate in the "**Drought Busters**" **Spring Fling** mixer that was held on Sat. May 10th? Though no rain fell that day, plenty of wind blew the balls around. It was a challenging and competitive day of mixed doubles tennis with each team (red rain boots, moody blues, and white lightning, to name a few) playing three hours and competing for the win. A huge thank you to **Valerie March, Nancy Chew, Kim Nappi** (and her husband **Brian** serving up those terrific margaritas), and **Lona** who planned the after party BBQ and creatively decorated the clubroom in rain gear for this event. Thanks to **Jeff Tsu** for working his magic and grilling our food to perfection.

After a weekend of men's doubles tennis, the **van Dillen "Evening at the Wineries"** was well attended by players and non-players. The Wine Tasting Winner was **Lisa Rogers**. Congrats, Lisa. **Jeff Tateosian** set the mood with soothing background music, but soon after dinner and wine tasting, the dancing began. Thanks Jeff for keeping it lively. Special thank you to **Valerie March, Nancy Chew, Debbie Bakhtiari, Kathleen Egan, Jen Ellison, Tery Zlatunich, Maggie Blumberg, Teresa** and **Lona** for orchestrating this event.

Lastly, thank you, **Jeff Tsu**, for graciously offering to grill our tasty dinner!

Mark your calendars for our first summer **Twilight Tennis** on Thursday, June 26. Aloha. Pull out your hula skirts and Hawaiian shirts, because this theme is a club favorite. Bring your favorite food item to share and gather your tennis gear. We'll see you there. The sign-up sheet will soon be posted in the clubroom.

The **front courts (#1-#3) are scheduled to be resurfaced on August 25th**, right after our fantastic Calcutta Event. The project will take approximately 5-7 working days to complete. The lines on the Junior Court (#4) will be repainted a dark blue shade during that time as well.

The Club is seeing a huge resurgence with many new member families. The pools and tennis courts are busier than ever and this is a great thing, right? Right! So it's time for all of us to step up and help out by monitoring our Club. We should treat the Club as if it were our home, which it actually is. So if you notice that we are running low on paper cups at the hydration stations, please feel free to re-stock them. It also may be a good idea to grab some paper cups and store them in both locker rooms just in case we run low at the main water fountain when Jose isn't around.

Please keep in mind that this is OUR home away from home to maintain and enjoy!

Manager: Lona Means

We are looking forward to a fun filled summer at PTC!!!
