### President's Message: Kay Coskey

Summer has arrived at PTC. Soon many of us will enjoy more tennis, BBQs, kids' laughter and more. It can sometimes be challenging for all of

us to share our wonderful facilities during these busier months, but a little extra patience and kindness goes a long way.

We have a few Tennis and Social events in June, in particular, the van Dillen Men's Doubles Championship and party, along with the first Twilight Tennis. Please mark your calendars. You can find all the dates and information in this email blast. These events bring old and new members together and help foster lifelong friendships. Just remember to sign up before the deadlines so you can attend.

Your conscientious Board members have been discussing and implementing ways to help conserve water around our club. Let's all try to reduce our water consumption this summer by taking shorter showers. Many websites and conservation groups are suggesting five minute showers. This would help lower the club's water bill and deal with our ongoing drought.

See you on the courts!

Be sure to mark your calendars for PTC's 3rd Annual Bocce Ball Tournament on Sunday, July 19th (time to be determined). It's a tremendous event played at the Washington Park bocce ball courts just outside PTC. Sign-ups will begin at the beginning of July.

**GUEST SIGN IN REMINDER!**

Please sign in all swim, barbecue and tennis guests on arrival. Guests are

limited to twice per month.

Summer is here and the pool is heated and ready for our busy summer days at PTC. Lifeguards will be on duty the first and second weekend in June and daily 1:30-5:30 pm June 15th through August 15th.

### Swimming Pool/Club Reminders

1. PTC is a tennis club, please be conscious of the players and keep pool noise to a minimum.
2. Children under the age of 10 must have an adult actively supervising them at all times at PTC.
3. Children under 5 years old are not permitted in the spa at any time. It is unsafe for children under 5 to be in temperatures above 102. Adults have priority at all times in the spa; children must vacate the spa when in use by adults.
4. Running and diving are prohibited at all times in the pool/spa area.
5. Please turn off all propane tanks, close umbrellas, turn off lights, pick up pool toys, straighten chairs and monitor children's locker rooms before leaving the club.

Happy Summer!!!

The incredible van Dillen Men's Doubles Championship will be held next

weekend. Even if you aren't playing, be sure to come out and support our players and witness the best doubles matches you will see at the Club. Due to the popularity of this event, all of the courts will be used on Saturday and Sunday until about 2:00 pm.

Beginning on June 22, our next USTA season will begin. I would like to thank all of the captains for volunteering to lead the following teams:

Mixed 18	6.0	~Captain <i>Sheila Druskin</i>
Mixed 18	7.0	~Captain <i>Peter Stevenson</i>
Mixed 18	8.0	~Captain <i>Marisa Wachhorst</i>

As we move into the heart of our playing season, we have a number of fantastic tennis events coming up. Check your calendars and be sure to attend the following events:

Thursday, June 18	Twilight Tennis - Wild West Night
Saturday, June 27	Inter-Club PTC vs. PGCC
Sunday, July 5	Woods 'N Whites

Let me know if you are interested in playing in the Inter-Club. I am also

very pleased to announce that we will have a Women's Doubles Championship tournament this year. It isn't until September 26th, so there is plenty of time to find a partner. There will be more information as we get closer to the event.

**House & Grounds: *Duncan Grenier***

Welcome to summer at the PTC. Hopefully you have noticed some of the upgrades to the facilities. In May, we completed the refurbishing of the perimeter wood fences by removing the built up tannins and staining them to better blend into the Club's overall color theme. Along Plymouth Way, we replaced some of the baseboards and stakes prior to staining them and painting all of the cinderblock columns which had never been painted before. Finally, the Chatham Road door and surrounding posts were repainted. Thanks go to the Club Improvement Committee for getting this project off the ground (**Adrienne Schubiner, Mickey Podolsky & Stuart Batchelor**). All of this work was managed by **Jim Fregosi**. Jim personally took responsibility for supervising the entire job and the finished product.

You will also notice some replacement plantings around the grounds that

add a bit of color. We are striving to be water conscious while maintaining a pleasant atmosphere. Thank you, Adrienne Schubiner, for managing the project.

Finally, we upgraded the Wifi system and hope you notice an improvement in coverage.
