Spring Fling Mixer

Tuesday, April 21st

Quarterly Meeting

President's Message: *Kay Coskey*

Looks like Spring at PTC! Although Spring begins March 20th, our beautiful courts have been especially active with a lot of members playing for fun, competing on teams, sharpening their skills at clinics with our

pros or using the ball machine these past few weeks. Even some brave kids have been playing in the unheated pool (with parental supervision, of course) while others are simply enjoying the spa. Come on over and see what's happening at your club.

The seven members of this year's PTC board have met and begun formulating their plans for the upcoming year. **Mindy Wong** and **Ron Pang**, directors of Social and Tennis, are planning the first club event of the year, the Spring Fling Mixer. It's a fun day and a great kickoff into Spring each year. **Duncan Grenier**, director of House and Grounds, along with **Lona**, continue to identify maintenance needs around our club. Our Special Projects and Finance director, **Stuart Batchelor**, is currently collaborating with the Board about the installation of heaters above the seating area near Court 1, while keeping a keen eye on our finances. **Jeff Schubiner**, Membership director, has selected a family from our amazing and lengthy list of applicants, and brought it to the Board for approval. Lastly, our director of Tennis Liaison, **Jennifer Ellison**, met with our tennis pros, **Milosh** and **JP**, and discussed scheduling clinics and other tennis related strategies to best meet our member's needs.

Please contact our tennis or social directors if you can volunteer with any of the upcoming events this year. It's always helpful hearing constructive feedback about the events, but even more fun if you've been part of the team planning them!

Plan to attend our next Quarterly Meeting on Tuesday, April 21. It's an excellent opportunity to meet club members and discuss pertinent club issues.

Manager: *Lona Means*

Please join me in welcoming our new maintenance tech, *Loel* and our new snack bar server, *Fiona* to the PTC.

The Spring USTA 18 and over season plays March 30th through June 21st. Please contact the captain of the team or myself if you would like more information on joining a PTC team.

The Board of Directors has approved a two month trial of a new time based system to replace the "Red Flag" rules. Basically, all members will sign in on a blackboard on arrival. Doubles will be limited to an hour and a half, with singles or threesomes limited to one hour of play when members are waiting for courts. More information will be available soon.

Tennis Committee News: *Ron Pang*

I am really looking forward to chairing an energetic group of members to organize many fantastic events in 2015. The committee will consist of experienced returning members as well as many new members with fresh ideas. If you would like to become part of this dynamic group, please contact me at: ron@ronpanginsurance.com.

We will have numerous social events in addition to the more competitive tournaments including the van Dillen Doubles Championship and Men's Singles Championship. I am excited to work with *Mindy Wong* and

the Social Committee to host these wonderful events. If you have ideas for any additional events or formats, please let me know.

As usual, our first event will be the Spring Fling Mixer on April 18th, so mark your calendars. It is the perfect way to kick off the year by catching up with old friends and making new ones. All members are encouraged to sign up for this fun day of social tennis, food and drinks. I hope to see everyone there.

House & Grounds News: *Duncan Grenier*

As we gear up for Spring and increased activity at the club, now is the time to bring any House and Grounds issues to my attention. If you see any problems with the facilities that you think need attention, or if you have suggestions for improvement, please contact me immediately at duncan.grenier@sbcglobal.net.

Membership Committee News: *Jeff Schubiner*

We are happy to announce the joining of ***Dr. Robert Jasmer*** and his wife, ***Amy***, and their family to PTC. Robert is a 4.0 player, with Amy playing a very solid 3.0. Please give them a big PTC welcome.

Thank you so much to last year's chairman of Membership, ***Ken March*** and his committee for their hard work. Please let me know if you would like to join this year's committee.

Social Committee News: Mindy Wong
