Help! Our brand new courts have black & blue markings all over them. Please test your tennis shoes to make sure you have the "non marking" tennis only type shoe. Additionally, water is the only beverage permitted on the courts at all times.

Registration begins November 17th for the Adult Over 40 league and the Adult Over 40 Mixed league playing January through March. Please let me know if you would be interested in captaining a team.

The pool heater has been turned off as of November 1st. The pool will re-open on May 1st.

Nag-nag-nag please sign in all guests at the sign in podium!

**Club Improvement Committee: *Stuart Batchelor***

The Club Improvement Committee (CIC) has been working to update the trash bins and installing the new dry bar and BBQ counters. The cabinets have all been installed and we are now working on getting the new tops fabricated. Once the tops are on, we will get the new ice maker and water dispenser up and working. These new counters should provide considerable functionality to our USTA league teams and those that enjoy the BBQ area by early November. We have some other projects under consideration and welcome input from all members on suggestions on what needs to be addressed around the club. Please send any comments to *Lona*.

## **Tennis Pro: Milosh Stephanovich**

Please help me welcome our new assistant pro, Jean Paul Gulino. He was born in Nice, France, on May 9, 1977. Jean Paul was introduced to tennis by his dad around the age of five and has carried that passion ever since.

He has competed both regionally and nationally since a young age, as well as playing a couple of years on the international tour. Jean Paul migrated to the United States to study and to keep competing in tennis.

That is where we met, and have been competing in doubles together quite successfully. Jean-Paul has taught tennis for many years, and is a USPTR certified tennis professional. I know you will really like what he has to offer.
