- Sunday, Feb 5th @ 2:00 pm      Super Bowl Party

---

**President:** *Duncan Grenier* / **House & Grounds:** *Matt Maloney*

As most of you know, our beloved PTC last had an upgrade to the main section of the Clubhouse back in the 60's. And, while still looking pretty good on the surface, much of the infrastructure is beginning to fail. We have plumbing and sewer issues in the main building, leaks in the foundation of the Men's locker room, and the electrical system in the kitchen is not adequate for modern usage. The kitchen and Men's facilities need to be brought up to modern health standards.

The Club Improvement Committee has submitted a repair and upgrade plan to the Board of Directors for presentation to the membership. The plan is designed to address all of the issues listed above, as well as to provide a face lift to the Clubroom to make it more hospitable. Luckily, past Boards have put in place the right financial plans. Our current situation will allow us to complete these repairs and upgrades from existing facilities funds, while maintaining adequate funding in our reserve account to handle anything that comes up unexpectedly.

The plans and description of the project are posted in the Clubhouse. We will hold an in-depth discussion at the membership meeting on November 15th. You will be asked to vote to approve funding for the project in December. It is important that you are educated on this decision, as the plan will provide us with not only a better facility, but preserve the infrastructure and avoid costly emergency repairs.

Please join us on November 15th to learn more!!

**Manager:** *Lona Means*

The ball machine and tennis balls have been left on the court several times in the past few weeks. Please return the machine and all tennis balls to the storage shed when you are finished using it.

It's that time of year again and finally we have had some much needed rain. Please hang the court rollers up on the fence so they don't warp. Also, if you need a leaf blower it is located behind the bar for your use.

As winter has arrived, the pool heater will be turned off through April 30th. Please continue to use the spa throughout the year.

Finally, please, (yes, please again) keep the courts clean by only bringing water out on the courts.

**Club News:** *Jeff Tateosian*

As the days get shorter, more members will be trying to squeeze in a little tennis before the sun goes down. Unfortunately, this is the prime time for neighbors needing to park on their streets.

Through our interactions with the neighbors regarding the lighting project, the primary complaint we heard was about parking on Chatham Road and Plymouth Way. We have always been aware street parking is an issue, but the perceived impact from PTC members is much greater than we knew.

In the interest of being a better neighbor, we ask the membership to continue to make a concerted effort to utilize parking spaces at the rear of the facility first and street parking when there is no alternative. This is especially important in the evenings, when the local residents are returning home from work, and on the weekends when residents are at home and members spend longer hours at the club. Luckily, these are the times when there is usually plenty of parking in the High School/Baseball field parking lot.

When you do have to park on Chatham Road, please be extra mindful of driveways and other parked cars, and give a friendly smile to the neighbors. Extra politeness goes a long way!

Thanks in advance for your cooperation and understanding. Our neighbors will appreciate it!

**Tennis Committee:** *Ron Pang*

With rain spoiling the semi-final and finals weekend of the Men's Singles tournament, we have left it up to the players to schedule their matches. The only final to finish was Wednesday, when Brian Heimbecker defeated Dan Dewitt for the 2016 Men's Singles Open Division, 6-2, 6-0. Congratulations Brian. The December Drop Shot will have the results of the remaining matches.

**Membership Committee:** *Mindy Wong*

There were no new members, nor any applications submitted during the last month. Harvey & Kathleen Small, and Bob & Pat Meyer have resigned from their Emeritus and Associate Memberships respectively.

---

**Social Committee:** *Kim Cresci*

Save the date - December 10, 2016. Ring in the holiday's with the best party of the year hosted by PTC. Bring the play off court for music, food, drink and FUN! Sign up on the board outside the snack bar or email Lona at [peninsulatennisclub@gmail.com](mailto:peninsulatennisclub@gmail.com) to RSVP is required for this event.
