President's Message

Kim Cresi

The call of Fall is in the air and I am grateful for the wonderful summer events at PTC. From the Spring Fling to our Calcutta tennis event (and everything in between) there are two people who have been the instruments of our fun. **Sheila Higgins Druskin** and **Peter Stevenson** have given our membership great tennis and amazing memories. I am grateful to have them serving on our board and sharing their gifts with our membership. Please reach out and show them your gratitude. Cheers.

Editor's Note

by Jeff Tateosian

My message this quarter is a reminder that there is no gambling within the confines of PTC. If by chance there was, I'm sure I would congratulate **Marty Funk** & **Phil Zlatunich** for coming out as the big winners in both the Men's and Women's Calcutta Tournament. The teams they would have wagered on each won the tournament.

Congrats also goes to **Jerry Ceglia**, **Adam Klein**, and **Peter Stevenson** for finishing in the top three places at last month's weekday poker tournament. Speaking of which, the annual Club Hold'em Poker Tournament will be held on Friday, October 27th, starting at 6:00 pm. The entry fee would be \$30, if we were actually wagering. Dinner and drinks will be provided. Contact **Jeff** at jefftat@pacbell.net with any questions. The sign-up sheet will be posted in a couple of weeks.

Lastly, PTC's annual Super Bowl party will be back bigger and better than ever. Because of the clubhouse remodel, we missed getting together for last year's exciting game. The Chili Cook-off will return, as well as plenty of football pools and proposition bets (again, if wagering were allowed of course).

Please remind your BHS students that only adult senior members of PTC are permitted to park in the Burlingame High School PTC parking spaces.

After all the summer festivities, the lost and found closet next to the boys' locker room is overflowing. Please make a point to check the closet for any of your family's lost treasure. We will be donating anything left over at the end of October.

A friendly reminder that children of senior members over the age of 24 do not have membership privileges. Please sign in your adult children over the age of 24 as guests; use of the club is limited to twice per month. The club offers a "Stirm Plan" membership to children of members whereby the cost of initiation fee is spread over a ten year period and monthly dues are reduced by 50% during the first years of membership.

Please contact me at peninsulatennis-club@gmail.com with any questions or concerns.

It is with great sadness to share that long-time member **Ken Sorenson** passed away recently. He had joined PTC in 1956, and was

the second longest tenured member. He was an outstanding player, ranking as high as 3rd in the 55's and 4th in the 65's for Nor Cal in doubles. Ken also won numerous van Dillen Doubles Championship titles. In World War II, Ken was a rear gunner on a torpedo plane. View the movie Midway to get a feel of what that experience was like. We will miss him.

Congratulations goes to **Marissa Hauselt, Carolyn Dowling, and Adrienne Leigh Schubiner** for reaching Districts/Sectionals five times this calendar year while representing various PTC Teams.

Congrats to PTC's own 8 year-old **Shea Mulready**, who defeated 4 boys and 1 girl before losing her finals match at SF Tennis Club 10 and under Orange Ball Tournament this month. *Great job Shea!*

Yoga is back at PTC. Jean Yves will be holding classes until the end of the year. Join any time (all classes are on a drop-in basis). Classes happen on Thursdays, 4:30-6:00pm and on Oct 12, & 26, Nov 9 & 30, at 6:15-7:45pm. For more information, please contact Jean Yves at 415-336-8577 or at jeanyvesyoga@gmail.com.

Wow! Hard to believe we are already into the Fall season - shorter days and cooler nights. The summer just flew by, culminating with our annual Men's and Women's Calcutta

Tournament. It was a fabulous weekend of competitive tennis and friendly banter - all kicked off by a great Friday night Calcutta Dinner and Draw.

In the Men's Calcutta, it was an incredibly close tournament with first place and last place separated by only a few points. In fact, for the first time in the history of the tournament - we had a three-way tie for 2nd place and had to go

to tie-breaker factors to determine the final standings. Congratulations to Team Casa Dragones – captained by **David Crawford** – for winning the Men’s Calcutta tournament. Joining David were **David Hyman, Rudy Giannini, Marty Funk, Rob Kotmel and Evan Krasts**.

On the Women’s side, a come from behind victory for the ages was garnered by Team Herradura. Under the leadership of Captain **Mindy Wong**, the players of **Jamie Shen, Patty Kunse, Jennifer Ellison, Kristen Pierce and Jennifer Bressie** stormed back in the final round of play to capture first place overall.

Congratulations to all the players (and bettors) for another great Calcutta event! Special recognition to **Sheila Druskin** and her Social Committee for putting together a very festive Calcutta Dinner, as well as providing breakfast and lunch for the players during the weekend. In addition, many thanks to **Jeff Tateosian** for his incomparable Master of Ceremonies performance and to **Lona Means** for all of her support before and during the tournament!

Next up on the tennis slate of events is our annual Men’s Singles Championship with the semi-finals and finals scheduled for Saturday and Sunday, October 28–29th. This will be followed by our 4th Annual Ladies’ doubles tournament – scheduled for Saturday, November 4th. If you are not playing in either tournament, be sure to mark your calendar and come out to watch the semi-finals and finals.

Heading into the Fall, it’s always a special season here as we appreciate these last few warm days and evenings. The club has had another eventful summer. And we are enjoying a great run of fall weather. That being said, I urge you to be mindful that we are all responsible for the upkeep of the property. Picking up around the pool, locking doors in the evening, and putting

everything away on the practice court are a few examples of things that make all members’ experience better.

The clubhouse, kitchen and men’s locker room are now fully functional. Note that we will be cleaning air ducts prior to turning on the heater.

The Calcutta weekend was a ton of fun, and a delicious and festive catered dinner was enjoyed by all on Friday night. Special thanks to **Phil and Tery Zlatunich, Bruce Caron, Theresa Delosada, Loel**

Pontilo and of course our wonderful **Lona Means** for all of the help setting up and cleaning up after the Calcutta dinner. If you were unable to make it to Calcutta this year, we strongly recommend attending next year, as it is definitely a high point of summer at the club and another great way to make new friends at PTC.

Be sure to calendar December 9th for the PTC Holiday Party. More details and a sign-up sheet are forthcoming, but plan on enjoying a delicious catered dinner and the fantastic music of our own **Brian Wachhorst's** band, All Star Jukebox.
