## President's Message

*Jerry Ceglia*

It must be summer because we had our first Twilight Tennis event. Although the weather didn't cooperate, it was well-attended and a good time of tennis, food, beverages and games into the night. A hearty thank you goes out to the **Women's 3.5 Team** for organizing the event theme, staffing, catering and clean-up; **Riaz** for organizing the tennis activities; **Jeff Tateosian** for the music; and all the new PTC family members for letting us all meet you.

Many of you attended the **Men's Singles 4.0** and **Open Finals** match and saw an awesome display of tennis – congratulations to the winners and thanks for the entertainment. Thanks to the Tennis Committee and **Riaz** for organizing this month-long event to establish bragging rights for the next year.

Whites and another Twilight Event in July. I want to wish you all a safe and festive Independence Day weekend and I look forward to seeing you at the Membership Meeting on July 20.

### Editor's Note

Jeff Tateosian

July looks like a big month for veteran member anniversaries (Club News). We have over five decades represented, including one of our oldest tenured member, **George**

**Chiossi**. Congratulations to all six of our long-time members representing a combined 210 years at the club.

Often I am asked by members why their name hasn't appeared on the anniversary listing each month. The simple answer is that everyone's anniversary comes up every five years, and we started listing them in the Drop Shot for just two years ago. So if you haven't seen your name yet, keep reading the Drop Shot as it will be listed within the next three years!

**Congratulations to Anthony Paz and Jennifer Ellison** for the birth of their new son - **Ryan James**. It appears that Anthony is doing well at his new nightly honey-do (leaving the Tennis Station to go home to the diaper station).

### Manager's Corner

Lona Means

We would like to congratulate PTC's senior ladies team, the PTC Wise Aces, for coming in first place in the top senior division of the SFPTL. PTC's team of 25 players is captained by **Sharon Marson and Cris Mangar**, and all players contributed to this great victory! There are many strong teams in this division, which includes 4.5 rated players, so ending up in the top spot was quite an accomplishment. *Congratulations Team!*

For the latest updated roster information, please access the PTC website at [www.ptctennis.com](http://www.ptctennis.com) and select the roster link.

It's that time again our lost & found is overflowing! Please check out the bins before the bounty is donated on July 15th.

Are you interested in learning how to improve your tennis fitness? PTC will be partnering with Equinox Fitness who will provide their Director of Personal Training, Roni Sternberg, on site in the fitness room at no cost to our members. The first session will be Thursday July 8th from 4:00 pm until 6:00 pm and every Thursday from 4:00 to 6:00 until

### House & Grounds News

*Ron Martinucci*

**Members, we finally got some good weather** to do some much needed court repair on the back courts. The cracks have been ground, filled and painted. We are told that the paint will fade to blend in over time. Our court contractor did a nice job. Thanks for your patience.

**We apologize for running out of propane that powers** our gas bar-b-que and heaters. We will make sure we have a couple of spare full tanks down by the BBQ just in case you need them after hours.

**Another concern that needs to be addressed is our club doors.** Our staff locks them after club hours, but members prop them open for convenience. If

## The Drop Shot ~ Official Newsletter of the Peninsula Tennis Club

you use the club after hours, it is your responsibility to lock up any doors that are left propped open, such as the entry doors, locker room doors, club room, junior room and the fitness center before you leave. Also please close umbrellas, straighten chairs and dispose of all trash.

**We are having issues with the cleanliness and vandalism** of our boys and girls locker rooms. After monitoring this issue, we have narrowed it down to children/families who use the club after hours. Parents, please supervise your children at all times while using the facilities. Upon leaving, please go into the locker rooms and see if they are tidy. We provide cleaning services to maintain our club, but it is unfair to waste resources on this kind of behavior.

Thanks for your cooperation. Enjoy the club and be safe.

*Rob Delantoni*

**New Honorary Member:** the PTC is proud to announce and welcome back former member **Rosemary Marcinak** as an honorary member. Rosemary was a member for over 51 years, and active in many committees, inter-club tennis, bridge, and for many decades was a club "regular." In her eighties now, tennis is no longer her primary activity, but she is very happy to be welcomed back as a member and to have the opportunity to keep in touch with the many friends she has at the club.

**New Members:** None this month, but . . .

**Member Prospects, inquiries, and events:** We have been fortunate to have had 7 families inquire about joining the PTC this past month. Lona has interviewed all of them, and on the last Sunday in June, three of these families (**Herald & Mei Chen** and family, **Lewis Summe & family**, and **James & Inna Kelly**) met a small group of members here at the club for a two-hour introduction to the PTC. They all seemed to enjoy the club on this sunny day. The Chens now have a membership application pending, and we are expecting applications soon from the Summes and the Kellys. In addition, three families who could not attend the Sunday gathering are still showing strong interest in the club, so we are expecting more applications soon. Special thanks go out to **Becky Showen** and **Melissa Smith** for preparing the food and providing beverages, and to Membership Committee members **Jeff Tsu**, **Steve Balchios**, and **Ken March** for helping make our prospects feel welcome.

## Social Events News

Dennis Mayer

**Twilight Tennis in Paradise was great fun** with over 110 people attending in spite of the chilly evening. Thank-you to event organizers **Ken & Valerie March**, and crew

**Marissa Wachhorst, Nancy Chew, Lisa Rosenthal, Chris McMurdo, Sally Davenport** and **Kelly and Natalie Kemp**. Grill masters **Jim Fregosi, Rob Kotmel, Jeff Tsu** and **Jerry Cegilia** kept up with the demand, and special thanks to **Riaz** and his crew of Juniors for keeping the courts busy. We also want to give a big thank you to our own **Jeff Tat** for the background party music and new member introductions. If you are not attending the twilight tennis events, you are missing out.

**The weather should be warmer** for our July Twilight so you won't want to miss the next one on Thursday, July 15. The sign-up sheet will be posted this weekend in the clubhouse. Round robin tennis starts at 5:30 pm and dinner at around 7:00 pm. The PTC will provide the entree and beverages. Each family should bring a side dish or dessert to share for 10 people. The cost will be \$7 per person \$5 for kids and \$20 per family.

### Bank of the West Classic

This great Bay Area Women's Tennis Tournament is just around the corner and I will be arranging for a group of members to go down to Stanford to watch the Friday Night Quarter Finals. Ana Ivanovic just took a Wild Card into this event so the player field is shaping up nicely.

With the addition of Ivanovic, the Bank of the West Classic will now feature three former World #1's including Maria Sharapova and Lindsay Davenport. Overall the tournament will host 12 of the top 30 players in the world including Olympic Gold medalist and world #5 Elena Dementieva, French Open finalist and world #7 Samantha Stosur and world #8 and three-time Grand Slam quarterfinalist Agnieszka Radwanska.

The player field also includes defending champion Marion Bartoli of France, Chinese standout Zheng Jie, young American star Melanie Oudin, Slovakian glamour girl Daniela Hantuchova and Japanese legend Kimiko Date Krumm.

If you would like to join me for Friday night cocktails and great tennis contact the Tennis Office right away as we have a limited number tickets.

Our fabulous Ballkids Team will be working its 7th straight year at the matches and will start training this week.
