Spring Fling April 29th

President's Message: Kim Cresci

Winter is HERE! The courts have been officially washed by the rain Gods and we are all getting in what time we can between the well needed rain spells. I am honored to be serving as the club President this year and hope to play some tennis too.

I am thrilled to be working beside all of our Board Members and hope you will take time to thank them for their volunteer efforts (between sets of course).

Duncan Grenier thankfully, will be staying on as Vice President, and additionally, the Membership Chair person. His leadership this past year will be hard to match.

Jeff Eliason will continue as the club treasurer. His vision and willingness to read the fine print is invaluable to our club.

Matt Maloney is continuing on with House and Grounds. His attention to detail and knowledge during this big construction year is a terrific asset.

Keith Pratt is taking on the position of Secretary. I am looking forward to getting to know Keith, as I am sure he is as wonderful as his wife, Elizabeth.

Peter Stevenson will be taking on Tennis Events Chair person as well as Tennis Pro liaison. Do I need an introduction for Peter...I think not, look for the big smile and helping hand. Can't wait for our meetings with Peter at the table!

Sheila Druskin will be our Social Events Chair and is going to bring us the party, party, party fun! You might see us on court meeting on important issues :-)

As you know, the club is undergoing a transformation. The Board will be hard at work to make sure this job is completed for our wonderful members. Each month there will be updates in the Drop Shot and soon to be on the club website.

Finally, myself, as well as all Board Members, are happy to be a source of information and assistance to the membership. Please don't hesitate to reach out and share your thoughts.

Project '17

Welcome to the first installment of “PTC '17. As the men’s locker room, kitchen and clubroom begin the journey toward modernization, we are seeing much progress with demolition. Over the next month the project will include and complete the demolition stage, begin plumbing and electrical staging in all areas of construction. Clubroom design, locker room materials and finishes are still in the works.

We ask that all members be respectful of the construction site and work crew. Please stay out of all areas under construction. Day-to-day the work site could present several potential hazards to children and adults. We welcome questions, comments and concerns. Please direct them to the club manager, Lona Means so she can notify the Board.

The 2017 USTA Adult 18+ league season team registration opens January 30th and runs through February 27th. The playing season for this league is March 27th through June 18th. If you are interested in captaining a team at PTC this upcoming season, please contact me at peninsulatennisclub@gmail.com or 650-347-1439. Please do not register a team without prior approval.

Help! The lost and found closet is overflowing again. Please check the closet for any lost items. Anything left will be donated by the end of the month.

Social Committee: Sheila Druskin

Hello PTC members - I am looking forward to being your social committee chair this year. There are so many wonderful events sponsored by PTC that provide hours of great tennis and camaraderie and opportunities to broaden your tennis and social circles.

As you can imagine, it takes a village to put together that much happy, and we need your help in order to make our events a success. Tasks range from baking a dessert to hanging decorations to passing out party favors to making a Costco run, and everything in between. Several names have been passed along already, and I hope to recruit additional peeps as well, as many hands make light work. Please email me at shiggins1028@yahoo.com if you’d like to join this fun-loving group.

Stay tuned for upcoming event dates, including the Spring Fling in late April. If you have not attended PTC social and tennis events in the past, please plan to make that change this year – don’t miss out on one of the best reasons to belong to this club!
